Time grabs you by the wrist, directs you where to go

|Em / DM / |CM / GM / |

So make the best of this test and don't ask why

|Em / DM / |CM / GM / |

It's not a question but a lesson learned in time

[Chorus]

|Em / GM / |Em / GM / |

It's something unpredictable but in the end it's right

|Em / DM / |

I hope you had the time of your life

So take the photographs and still frames in your mind

Hang it on a shelf, in good health and good time

Tattoos of memories and dead skin on trial

|Em / DM / |CM / GM / |

For what it's worth it was worth all the while

|Em / GM / |Em / GM / |

It's something unpredictable but in the end it's right

|Em / DM / |

I hope you had the time of your life
